Let's Talk:

When and where did you meet each other?

When and where was your first date?

When did you know they were the right person, when did you know you were in love?

Describe each other in three words:

What do you do in your free time? Do you have hobbies?

Do you have any pets that have stolen your heart?

What's something quirky or unique about your relationship?

Do you have nicknames for each other?

How would you describe your relationship?

Do you plan to have children?

What are you most looking forward to about your life together, after your wedding?

Anything else you want me to know?
